SHERIFF EDWARD N. BONNER RELEASES THE FOLLOWING:

The cause of death of a Foresthill woman found near her home yesterday could not be determined during preliminary forensic testing today. An autopsy is scheduled to be completed tomorrow by the coroner's office of the Placer County Sheriff's Department:

The body of Cora Lee Suehead, 61, was found around noon Tuesday by a family member. Her body had sustained extensive damage caused by animals.

Pit bull dogs were removed from the property by Placer County animal control officers Tuesday to rule out the possibility that they either caused the death or inflicted injuries after death.
